

USE OF GREEN AND CLUB FACILITIES BY FARNBOROUGH BOWLING CLUB

As many of our members will be aware, the green at Farnborough has been completely relaid over the winter period, and as a result it is unlikely that their members will be able to use it until the end of May or early June.

We have agreed to help out until then, by making our facilities available to their members.

This will enable them to have roll-ups, and if necessary take part in competitions.

We have therefore booked out three rinks (4, 5, & 6) on Monday afternoons*, Wednesday afternoons and Thursday evenings for their roll-ups, and they may also ask Jim or Steve to make other bookings for them if they need them. We do not expect this to cause any problems for our members, but if it does, please speak to Jim or Steve.

Farnborough will, of course, pay us a rink fee for the use of our rinks, and if we provide tea or coffee and biscuits after a roll-up, they will contribute in the same way that our members do (i.e. 50p/person).

We have also agreed that they can use our club for their opening fixture on 29th April, which is a Fish & Chip Drive starting at 3 p.m.

Steve Durham
Secretary
AUBC

20th April 2017

* on 1st May we have a Spoon Drive, so Farnborough will have use of the rinks for roll up from about 5 p.m. on that day.
